

STEVE SOLOMON

Just when you thought it was safe to go back home for the Holidays....Steve Solomon, creator and star of the three time, award winning smash Broadway comedy hit: "**My Mother's Italian, My Father's Jewish & I'm in Therapy**" returns to the stage for a wonderful evening of his hysterical stand-up comedy.

And, by popular demand; Steve will spice up the night with some of your favorite stories from his other hit shows: **STILL in Therapy** and **Home for the Holidays**, as well as hilarious bits from his award-winning stand up.

A native of Brooklyn, NY, Steve grew up in the multi-ethnic neighborhood of Sheepshead Bay....the perfect training ground for a dialectician. Steve's toured the country and performed in over seventy five cities (and three countries!) in the last four years to sold out crowds from San Francisco to Atlantic City; the audiences beg for more.

The show is a laugh-filled fest of everybody you know or have known and some you'd want to forget but can't; all brought to life on stage by the comic magic of Steve Solomon. So prepare to laugh, prepare to cry and prepare to be delighted spending this special evening with Steve Solomon.

After meeting Steve's friends and family....you'll leave wondering why more states don't have capital punishment. This is a "don't miss" evening of fun!
